The National Constitution Center, located at 525 Arch St. on Philadelphia's Independence Mall, is an independent, nonpartisan, nonprofit organization dedicated to increasing public understanding of the U.S. Constitution and the ideas and values it represents. Opened on July 4, 2003, the Constitution Center is a museum, an education center, and a forum for debate on constitutional issues. The museum dramatically tells the story of the Constitution from Revolutionary times to the present through more than 100 interactive, multimedia exhibits, film, photographs, text, sculpture and artifacts, and features a powerful, award-winning theatrical performance, "Freedom Rising". The Center also houses the Annenberg Center for Education and Outreach, which serves as the hub for national constitutional education. Also, serving as a nonpartisan forum for constitutional discourse, the Center presents – without endorsement – programs that contain diverse viewpoints on a broad range of issues. The Center is also the home of the Liberty Medal award, presented annually as a lasting legacy to the 200th anniversary of the Constitution.
