

# **\$1,000,000**

**YOU'VE MADE A MILLION DOLLARS. NOW IT'S TIME TO SPEND IT!**

1. Think about how you would like to spend your money to help your community, school, or organizations.
  - a. Looking for a new baseball park.
  - b. Maybe your school could use a new gym.
  - c. Are you interested in helping the homeless or in supporting medical research for a cause?
2. You do not have to spend it all in one place. You can give some to one project and some to an organization. You can spend it in as many places as you want, but you have to spend the whole \$1,000,000.
3. Once you decide, write a check including who the money goes to and how much.
  4. For each check, be sure to tell us in a paragraph why you chose this place to receive some of your money.
  5. Attach you checks to your paragraph sheet.
