

Learning Center/Bulletin Board Lesson 1

Materials:

- 3" x 5" various colored index cards
- Civics Kids "Let's Hear Your Voices" writing prompt for Lesson 1
- Pencils and tacks

Activity:

Give your students an opportunity to offer suggestions regarding their school lunch program. What would they like added to the menu? What would they like removed? How could they make the school lunch program better?

Have them write their ideas on colorful index cards and post them on the Student Voices Bulletin Board.

Ask a representative from the school lunch program to visit your class and share the student ideas. Hopefully, some ideas will be enacted.
