I Am America: Class Quilt Project

Think about something that tells about you – what you like to do, something you like to wear or eat, a place you like to go, something that makes you special…

- Using the *I Am America* book as a guide, illustrate your idea on a 7-inch square of white paper.
- Leave room under your illustration to complete your caption “I am_________”
- Glue your competed square on a 8-inch square of construction paper.
- Add your square to those of your classmate's to form a quilt.

*Use the square below to practice your quilt square before you do your final one.*
