WE THE PEOPLE, OVER 300 YEARS IN THE MAKING

Start your journey at the NATIONAL CONSTITUTION CENTER where you will discover how 13 newly independent states became one nation of “We the People.” Then continue your journey and discover what inspired the people, the changemakers, who founded America and shaped it throughout its history up to present day at Philadelphia’s newest attraction, THE FAITH AND LIBERTY DISCOVERY CENTER.

Your groups will experience American history in a whole new light. The Faith and Liberty Discovery Center is an interactive, immersive, eye-opening experience where you can explore the relationship between faith and liberty in guiding the formation of our country, see how that relationship still guides us today, and interact with our country’s history in new and surprising ways. The experience is authentic. It’s poignant. It’s memorable. It’s experiential. So regardless of who you are, where you’re from or what you believe, you’ll be able to find a piece of yourself in the story of our country.

Inspire citizenship in your group at the National Constitution Center, Philadelphia’s premier group visit destination and the only museum dedicated to the U.S. Constitution. Immerse your group in Freedom Rising, the 17-minute, live production that tells the story of the American quest for freedom, The Story of We the People, the Center’s innovative, multimedia main exhibit, and Signers’ Hall where visitors can sign the U.S. Constitution alongside 42 life-size bronze statues of the Founding Fathers.
