Sun Catchers

Instructions:

- Print the previous page on 8 1/2 X 11 card stock
- Cut out your sun catcher by cutting along the dotted line, then create the design by cutting out and removing all the gray areas.
- Lay the sun catcher face down, then lay pieces of colored tissue paper over the holes created by the design. Attach at the edges with a thin layer of tape
- Using crayons, markers or glitter, decorate the front of your sun catcher as desired.
- Using glue or tape, attach a piece of ribbon or yarn to the top of your sun catcher
- Hang up in a window
