OTHER WAYS TO GIVE

MATCHING GIFTS

Many employers sponsor matching gift programs and will match charitable contributions made by their employees. To find out how to maximize your gift through your company's matching gift program, please contact your company's Human Resources department or our Development Office at 215.409.6767.

GIFTS OF STOCK AND SECURITIES

A gift of publicly traded securities can be one of the most advantageous ways of giving. Securities held for over one year, such as stocks, may qualify for an income tax deduction at their current market value, regardless of the original purchase price. Additionally, capital gains taxes can be avoided. Your broker or investment advisor can wire your gift to the National Constitution Center safely and efficiently through the Depository Trust Company (DTC) wire transfer system.

Before initiating a stock or securities transfer, please notify:

of finance and administration
