GIFTS OF STOCK AND SECURITIES

Your broker or investment advisor can wire your gift to the National Constitution Center quickly and safely by using the Depository Trust Company (DTC) wire transfer system.

A gift of publicly traded securities can be one of the most advantageous ways of giving. A gift of securities held for over one year, such as stocks, generally generates an income tax deduction at the market value of the securities, regardless of the price paid or basis of the securities. Moreover, the capital gains tax is avoided through such a gift. Before sending stock or securities to the Center, please call **Rebecca Bolden, Senior Director of Development at (215) 409-6741** to let us know the gift is coming. You can also contact **Ryan Burns at Janney Montgomery Scott:**
