

**CHRISTINE DONNELLY**  
**Vice President of Finance**  
**National Constitution Center**

Christine Donnelly has spent more than two decades working for the National Constitution Center, having joined the institution in 1990, two years after the museum was established by the Constitution Heritage Act. Donnelly was instrumental in the early days before the Constitution Center became a reality on Independence Mall, serving first as Finance and Project Manager. She has also held positions as Business Manager, Director of Accounting Services, and Director of Finance. In her current role as Vice President of Finance, Donnelly is responsible for all financial functions of the organization. She also oversees the Human Resource and Research departments and serves as liaison with the museum's legal counsel.

Donnelly received a Bachelor of Science degree in business administration and marketing from Cabrini College. A native of Riverton, NJ, she resides in Cinnaminson with her husband and two daughters. She is active in the community, serving as secretary of the Pomona Swim Club Board and as treasurer for the Holy Cross Parent Booster Club.
