Our Be A Hero-Hire A Hero Veterans’ Career Expos and hiring initiatives were created to show our appreciation for all the sacrifices our men and women serving in the military have made by connecting them with the right opportunities.

Be A Hero-Hire A Hero is dedicated to giving back when our Heroes come back. Our initiative focuses on creating a network of strategic alliances in corporate, educational and military resource based partnerships. Our mission is to empower our Veterans, Wounded Warriors and their family members of this cultural diverse community; preparing them for a seamless integration from military to civilian life by providing the necessary foundation for success.
